

## **Consent form for photographic images for children and young people under 18 years of age**

Ogmore Valley Wheelers (OVW) takes the protection of privacy and the welfare and safety of children and young people seriously. For details of our child protection policies please visit our website: [www.ogmorevalleywheelers.com](http://www.ogmorevalleywheelers.com) To promote the features and benefits of OVW, we sometimes use images of our members to illustrate cycling and make the sport more inspiring to visitors to our website. We also occasionally produce published materials that similarly contain images to motivate people to try cycling as a sport.

To use images of children and young people under the age of 18 full parental or guardian consent is required. Although risks are minimal, we have a duty of care towards young people to ensure that they cannot be identified or contacted through OVW.

The data protection act states that you may withdraw your consent at any time in the future should you wish to. You should do this by writing to the Club secretary.
